

Camp Diversity Foundation

The Camp Diversity Foundation, a 501(c) 3, was established by Rockmont Alumni “**to give economically disadvantaged boys an opportunity to experience Christian community in a traditional camp setting**”.

The Camp Diversity Foundation has declared August 10 – 15, 2008 as the inaugural all scholarship session. The Camp Diversity Foundation has selected Camp Rockmont for Boys located in Black Mountain, NC to conduct the camp session. Camp Rockmont will provide the facility, staff, program, meals, and health care for this session.

Please get re-involved with the Camp Diversity Foundation in a way that directly affects a population of boys that couldn't otherwise experience a Christian summer camp. Please help an economically disadvantaged child laugh and play and know Christian community in a traditional camping setting as you did in years past. The Camp Diversity Foundation depends on the generosity of former campers to fulfill the financial obligation of this scholarship session. Contributions are fully deductible.
